

Only Love Believes: The Resurrection of Jesus and the Constraints of History

The Christian claim from the beginning was that the question of Jesus's resurrection was a question, not of the internal mental and spiritual states of his followers a few days after his crucifixion, but about something that had happened in the real, public world. ...

By N.T. Wright Posted 17 Apr 2014

(The summary of the 700-page book on the evidence for the resurrection referred to at 6 minutes 10 seconds in the video/audio recording of this sermon.)
