Cancellations

Avoid disturbance to our neighbours

St George's is located in a quiet residential area. Evening functions are to be concluded by midnight. No music etc. should be played after 11pm nor should it be audible beyond the property. Drivers must not park in the turning circle or over driveways. Guests should leave the premises no later than 1am, quickly and quietly. Breach of these terms may result in refusal of future requests for hire.

Initials

We do not permit liquor to be sold on the premises. If at your event you wish to permit BYO alcohol please consult the office.

Public Liability Insurance

All hirers must be insured to an amount not less than \$10 million against:

- Injury to persons while on the property
- Damage to the property due the activities of the hirer
- Workers’ compensation to cover employees of the hirer required to work on the property
- Indemnity for claims made against the Diocese as owner arising out of the negligence of the hirer

On applying to hire the premises, organisations must provide a copy of their Public Liability Insurance certificate current for the period of hire, whether for a one-off event or periodic events.

Personal hirers* without Public Liability Insurance can arrange cover, for one-off events only, with the church’s insurers for a fee of \$25 (an excess of \$250 applies to claims under this cover). Non-personal bookings are expected to hold their own Public Liability Insurance.

**Personal hirers means a person or unincorporated group meeting for a non-commercial, non-political, non-“cause/crusade” purpose where the meeting is not open to the general public and the hirer does not have public liability insurance. Examples of acceptable activities are:*

- *Dance practice not associated with a dance school or lessons where no fees are charged*
